Jointly Developed

The parents and staff of Tiger Creek Elementary School jointly developed this **Family- School Compact for Achievement**.

Parents helped create the suggestions for home activities to support learning. Meetings are held each year to update this Compact and make changes based on student needs.

**Parents are welcome to
contribute comments
at any time.**

Building Partnerships

Tiger Creek may have in-house meetings for the 2021/22 school year.

All handouts and information for meetings will be available on our school website throughout the year or sent home with students.

Communication about Student Learning

Tiger Creek Elementary School wants to continue open two-way communication with families about children's learning. Here are some ways to communicate with us:

- Daily Homework Folders
- Updates on school website
- Infinite Campus/Parent Portal
- Parent-Teacher Conferences as Needed
- Weekly/Daily Folder
- Email
- Phone Call

FAMILY-SCHOOL COMPACT FOR ACHIEVEMENT School Year 2021-2022

~4th Grade Focus~

Revised October 7, 2021

Tiger Creek Elementary School
134 Rhea McClanahan Dr.
Tunnel Hill, GA 30755

David Beard, Principal
Whitney Hood, Assistant Principal

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to meet and exceed grade level standards.

- ✓ **Begin** with standards,

- ✓ **Respond** to school data,

✓ **Depend** on us to believe in it and use it!

*Every child, every day,
without exception.*

District Goal:

- To improve the percentage of students scoring proficient (levels 3, 4) in grades 3 — 8.
- To improve the percentage of students graduating from high school.

- During the 2021-2022 School Year 80% of ELA teachers will demonstrate use of the collaborative common assessment process to increase student achievement. (Erkens)
- During the 2021-2022 School Year 80% of Math teachers will demonstrate use of the collaborative common assessment process to increase student achievement. (Erkens)
- During the 2021-2022 School Year 80% of Science teachers will demonstrate use of the collaborative common assessment process to increase student achievement. (Erkens)

- In ELA our grade level will support students reading of fiction and nonfiction text in order to master reading standards RL.4.1 and RI.4.1
- In Math our grade level will support students understanding place value with multi-digit numbers in order to master math standard NBT.2

The 4th Grade teachers will work with students and their families to support learning.

- Teachers will send home a “Math Tips for Parents” informational sheet for each topic that includes: concept overview, sample problems, vocabulary, and how to help at home.
- We will send home an informational letter with standards and learning targets when starting a new standard. Example passages and questions will also be included.

TCE students joined staff and parents to develop ideas about how they can succeed. Students thought of the following ideas to make connections between learning at home and school:

- Ask questions if you do not understand.
- Pay attention in class/ listen to your teacher.
- Practice reading and math facts at home.

TCE parents joined staff to develop ideas about how families can support student success.

- Read at home with my child and practice reading skills such as learning sight words, vocabulary words, fluency, and reasoning.
- Practice math facts with my child
- Read the Class Newsletter to stay informed about what my child is learning in class.
