

Feel free to request parent/teacher conferences to discuss your child's progress.

**Come get involved at the  
TCE Family Center.  
Volunteer opportunities are  
waiting for you.**

### **Jointly Developed**

The parents and staff of Tiger Creek Elementary School jointly developed this **Family- School Compact for Achievement**.

Parents helped create the suggestions for home activities to support learning.

Meetings are held each year to update this Compact and make changes based on student needs.

**Parents are welcome to  
contribute comments  
at any time.**

### **Building Partnerships**

Tiger Creek may have in-house meetings for the 2021/22 school year.

All handouts and information for meetings will be available on our school website throughout the year or sent home with students.

### **Communication about Student Learning**

Tiger Creek Elementary School wants to continue open two-way communication with families about children's learning. Here are some ways to communicate with us:

- Daily Homework Folders
- Updates on school website
- Infinite Campus/Parent Portal
- Parent-Teacher Conferences as Needed
- Weekly/Daily Folder
- Email
- Phone Call

## **FAMILY-SCHOOL COMPACT FOR ACHIEVEMENT School Year 2021-2022**

### **~5th Grade Focus~**

Revised October 7, 2021

Tiger Creek Elementary School  
134 Rhea McClanahan Dr.

Tunnel Hill, GA 30755

David Beard, Principal

Whitney Hood, Assistant Principal

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to meet and exceed grade level standards.

- ✓ **Begin** with standards,

- ✓ **Respond** to school data,

- ✓ **Define** everyone's responsibilities -- and

- ✓ **Depend** on us to believe in it and use it!

**When teachers, students and families work together, we CAN achieve our goal:**

*Every child, every day,  
without exception.* 

- To improve the percentage of students scoring proficient (levels 3, 4) in grades 3 — 8.
- To improve the percentage of students graduating from high school.

- During the 2021-2022 School Year 80% of ELA teachers will demonstrate use of the collaborative common assessment process to increase student achievement. (Erkens)
- During the 2021-2022 School Year 80% of Math teachers will demonstrate use of the collaborative common assessment process to increase student achievement. (Erkens)
- During the 2021-2022 School Year 80% of Science teachers will demonstrate use of the collaborative common assessment process to increase student achievement. (Erkens)

- In ELA our grade level will focus on Comprehension of fifth grade texts to create original pieces of writing using grade-level vocabulary.

The 5th Grade teachers will work with students and their families to support learning.

- Use a variety of communication methods to discuss student academic progress.
- Provide online activities to use at home to develop and strengthen skills.
- Ensure all essential standards are mastered.

TCE students joined staff and parents to develop ideas about how they can succeed. Students thought of the following ideas to make connections between learning at home and school:

- Come to school prepared with charged Chromebook and homework folder.
- Complete all homework assignments.
- Be more responsible with turning my work in on time.

TCE parents joined staff to develop ideas about how families can support student success.

- Read at home with my child and practice reading skills such as learning sight words, vocabulary words, fluency, and reasoning.
- Practice math facts with my child
- Read the Class Newsletter to stay informed about what my child is learning in class.
