### **Jointly Developed**

The <u>parents</u> and <u>staff</u> of Tiger Creek Elementary School jointly developed this **Family- School Compact for Achievement**.

<u>Parents</u> helped create the suggestions for home activities to support learning.

Meetings are held each year to update this Compact and make changes based on student needs.

Parents are welcome to contribute comments at any time.

### **Building Partnerships**

Title I Meeting September 10th @ 6:00

Fall Festival October 18th @ 5:00

Second Grade Lunch & Learn January 31st

Living History February 28th @ 6:00

K-2 FAST Data Night April 16th @ 6:00

### Communication about Student Learning

Tiger Creek Elementary School wants to continue open two-way communication with families about children's learning. Here are some ways to communicate with us:

- Weekly Homework Folders
- Updates on school website
- Infinite Campus/Parent Portal
- Parent-Teacher Conferences as Needed
- Weekly Newsletter
- Email
- Phone Call
- Class Dojo

### FAMILY-SCHOOL COMPACT FOR ACHIEVEMENT School Year 2019-2020

### ~2nd Grade Focus~

Revised September 26, 2019

Tiger Creek Elementary School

# What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to meet and exceed grade level standards.

**Effective Compacts:** 

- ✓ Begin with standards,
- ✓ Focus on student learning,
- ✓ Respond to school data,
- ✓ **Define** everyone's responsibilities -- and
- ✓ **Depend** on us to believe in it and use it!

When teachers, students and families work together, we CAN achieve our goal:

## **Goals for Student Learning District Goal:**

- To improve the percentage of students scoring proficient (levels 3, 4) in grades 3 8.
- To improve the percentage of students graduating from high school.

#### **School Goals:**

- Increase in Georgia Milestones ELA by 10% in 3rd grade & 3% in 5th grade
- Increase in Georgia Milestones Math by 5% in 3rd-5th grades
- Increase in Georgia Milestones SCI & SS by 5% in 5th grade

#### **Grade-Level Goals**:

2nd Grade Teachers will provide students with multiple strategies to achieve mastery at an 80% or higher on the following essential standards:

- I can fluently add within 100 using strategies based on place value. Properties of operations (mental math or written algorithm) (MGSE.2.NBT.5)
- I can ask and answer such questions as who, what, where, when, why, and how to demonstrate understanding of key details in a text. (2RL1 and 2RI1)

### **TCE 2nd Grade Teachers**

The 2nd Grade teachers will work with students and their families to support learning. Some of our key connections with families will be:

- Encourage parents to read with their children daily with an emphasis on vocabulary and comprehension.
- Provide math practice websites on our school webpage.

### **TCE 2nd Grade Students**

TCE students joined staff and parents to develop ideas about how they can succeed. Students thought of the following ideas to make connections between learning at home and school:

- Read every day for 20 minutes
- Practice Math Facts nightly
- Practice Spelling Words daily

### At Home

TCE parents joined staff to develop ideas about how families can support student success.

- Practice reading at home by reading daily with my child, working on sight words, or using IXL and other educational computer games at home.
- Attend Family and School Team Academic Nights and Parent Teacher Conferences.
- Read the Class Newsletter to stay informed about what my child is learning in class.
